

The Operations Manager

There are organized forces whose main goal is to control as many people as possible using any and every medium available to them. Anyone making a statement like this in the past would be regarded as a conspiracy theorist, or "*one brick short of a full load*". However, there is a gradual awakening taking place globally as our ruling classes are being exposed for their ineptitude and hypocrisy; combined with an insatiable appetite for money and power. There are more and more publications exposing this, and one of these is entitled, "How Elites Will Create a New Class of Slaves" by Whitney Webb (Trine Day LLC publishing). But even as more information about this subterfuge continues to trickle out, there is a chief coordinator who remains well hidden and unlikely to be exposed anytime soon. For the purpose of this article, the descriptive title "*Operations Manager*" will be applied to this individual. Currently, he oversees all matters pertaining to governance, justice, education, finance, religion, national defense, commerce, infrastructure, healthcare, etc.

Although this "*Operations Manager*" is not doing a good job, he offers many attractive perks in order to keep his subordinates in agreement with his values and objectives. Eventually, they will figure out that his methodology is very counterproductive, and they will no longer support him. He is aware of this reality as well, but he is not sure when his support will collapse. Therefore, he is becoming more and more desperate to cling to his position and power and is resorting to increasingly radical ideas that are making matters worse. His biggest fear is being removed from his office by "*the Owner*".

Using these analogous terms, "the Owner" is Almighty God and "the Operations Manager" is known by a number of different names including "the god of this world" (2Cor. 4:4), "your adversary the devil" (1Pet. 5:8), "the great dragon" (Rev. 12:9), "that old serpent" (Rev. 12:9), and "Satan" (Rev. 12:9).

Once a connection is made between the Operations Manager and Satan, many of the events occurring in today's world will make more sense. Conversely, without this background information, what is going on around us can be very confusing and disturbing because it often makes no sense.

The fact that this "Operations Manager" has "*behind the scenes control*" was revealed by Jesus Christ, who did not contradict the fact that Satan oversees all the kingdoms of this planet.

Again, the devil took him (Christ) up on an exceedingly high mountain, and showed him all the kingdoms of the world and their glory.

⁹And he (Satan) said to him (Christ), "All these things will I give you if you will fall down and worship me" (Mt. 4:8-9; Ed.

notes in parentheses; NKJV used throughout unless otherwise noted; emphasis added).

Before going any further, it is important to note that Satan was allowed temporary control over the kingdoms of this world because mankind has rejected Almighty God's representative since the time of Adam and Eve, and this trend has continued ever since. But now that Satan knows his time is running out, he is ramping up his warped values globally and, according to the following texts, he will be removed from office in the near future.

...*Woe to the inhabitants of the earth and the sea! For the devil has come down to you, having great wrath, because **he knows that he has a short time*** (Rev. 12:12b; emphasis added).

*Then I (John) saw an angel coming down from heaven, having the key to the bottomless pit and a great chain in his hand. ²He laid hold of the dragon, that serpent of old, who is the Devil and Satan, and bound him for a thousand years; ³and he cast him into the bottomless pit, and shut him up, and set a seal on him, **so that he should deceive the nations no more till the thousand years** (of Christ's rule on this planet) **were finished**. But after these things he must be released for a little while (Rev. 20:1-3; Ed. notes in parentheses; emphasis added).*

This restraining of Satan will occur just before the leaders of this world, who are under his influence, utterly destroy this planet. So, it's not climate change that we need to be concerned about. Instead, it will be lawless behavior, orchestrated by Satan, which will lead to the destruction of this planet.

*For then there will be great tribulation, such as has not been since the beginning of the world until this time, no, nor ever shall be. ²²And **unless those days were shortened** (beginning with Satan's restraint), **no flesh would be saved** (Mt. 24:21-22a; Ed. note in parentheses; emphasis added).*

*Because **lawlessness will abound**, the love of many will grow cold (Mt. 24:12; emphasis added).*

With this very brief background, when leaders make cavalier statements about using nuclear weapons, we should recognize that they are being influenced by "the god of this present evil

age" (cf. Gal. 1:4), even though they are probably unaware of this connection. This 'spirit-being' broadcasts his negative attitudes which can be absorbed by those seeking power, money, or fame.

*Whose minds **the god of this age has blinded**, who do not believe, lest the light of the gospel of Christ (good news regarding the soon coming kingdom of God under Christ's leadership), *who is the image of God* (the Father), *should shine on them* (2Cor. 4:4; Ed. notes in parentheses; emphasis added).*

*.... **the prince of the power of the air, the spirit who now works in the sons of disobedience** (Eph. 2:2b; emphasis added).*

Anyone pushing against this powerful spirit-being is, in essence, wrestling with Satan and his minions.

*For **we do not wrestle against flesh and blood**, but against principalities, against powers, against the rulers of the darkness of this age (darkness symbolizes sinful conduct), against spiritual hosts of wickedness in the heavenly (spiritual) places (Eph. 6:12; Ed. notes in parentheses; emphasis added).*

So, when you are under government pressure to take medications in order to go to work, or keep your company functioning, as occurred during the outbreak of a virus from China, you can now see who is behind the scenes manipulating and influencing the human leaders who are enforcing "Satan's agenda".

With this template you can better understand other oppressive actions including, but not limited to, "eating insects", "not being allowed to drive wherever you wish", "having your children sexually transitioned without your

approval”, “having the country and culture you grew up in, transformed by limitless illegal immigration”, “forced to endure more and more “*benefit programs*” that make the population increasingly dependent on a central government fixated on removing more and more freedoms from its citizens”, etc.

So “yes” our Operations Manager hates us, and we are playing into his hands constantly because we refuse to trust Almighty God and obey what He tells us to do for our own good (cf. Dt. 4:40; 5:16; 12:28). Therefore, we are at the mercy of Satan and his many minions who want to destroy us one way or another. Thankfully, the Only True God (cf. Jn. 17:3) will intervene just before our human leaders wipe us completely off the face of this planet.
